

## How do I register for SciVal?

Last updated on 29/04/2020

You can access SciVal with the same username and password you use for other Elsevier products (such as ScienceDirect or Scopus). If you do not have access to other Elsevier products, you will need to first register.

**Note:** If you are not within your institution's IP address range, you will need to contact your librarian / system administrator about getting remote access.

### How

Follow these steps to register:

1. Go to [www.scival.com](http://www.scival.com).
2. Click 'Register'.
3. Enter your username. **Note:** Your username is your email address and it is not case-sensitive.
4. Create a password. Your password must be at least 5 characters long, and it must contain at least:
  - o One uppercase and one lowercase letter
  - o One number
  - o One symbol, i.e. \* ~ ! @ # \$ % ^ & \* \_ + { } | : " < > ? ` - = [ ] \ ; ' , . / "
5. You can click 'Add profile details' to add information to your profile now, or add this later via your 'Account'.
6. You can select the checkbox to receive information by Elsevier.
7. Select the checkbox confirming you have read and understood the Registered user agreement.
8. Click 'Register'.

After completing these steps, you will have created an account with SciVal. You will receive a confirmation email to address you provided.
